A HOME TOWN PAPER FOR HOME TOWN PEOPLE

VOL. XXVIII SOUTH SAN FRANCISCO, SAN MATEO COUNTY, CALIF., FRIDAY, MAY 13, 1921. NO. 19

COUNTY BOARD PASSES ON CLAIMS

AUDITING CLAIMS ON COUNTY
CHIEF ORDER OF BUSINESS AT
MONDAY MEETING; SAN CARLOS
STREETS ORDERED CLOSED.

The principal order of business at Monday's meeting of the board of county supervisors was the auditing of claims against the county for the month of April.

R. F. Chilcott appeared before the board and presented a corrected map of Stanford Week-End Acres, which was adopted by the board in place of the map submitted at the last meeting.

Chilcott also represented the Mercantile Trust Company of San Francisco in the matter of the abandonment of certain streets at San Carlos and the acceptance of other streets, as shown by maps on file in the recorder's office. There being no objection offered to the abandonment of portions of Spruce street, Hemlock street, Myrtle avenue, Linden avenue, Hawthorne avenue, Fir street, Glenwood street, Oak street, Pine street, and Manzanita avenue lying north and west of Magnolia avenue, as shown on the map of the San Carlos Park syndicate, these streets were ordered closed to the public use by the board. Portions of Oak, Spruce, Fir, Glenwood and Prospect streets, Magnolia, Myrtle, Hawthorne and Manzanita avenues, as offered by the Mercantile Trust Company, were ordered accepted and dedicated to public use.

A statement was received from County Auditor J. J. Shields of estimated revenues and condition of the funds of the county. The statement showed funds in the treasury amounting to \$499,553.21.

The report of the county farm and hospital for the month of March was presented and ordered filed.

The claim of E. Crace for a refund of \$60 on a class A liquor license was rejected. Crace had paid \$120 for the period from January 1 to December 31, 1919, and, as the license was cancelled on June 1st, applied for a refund. The claim was disallowed on motion of Supervisor Francis, seconded by Supervisor Brown.

County Purchasing Agent E. H. Werder was authorized by the board to purchase a gas engine, to be used in connection with the county's rock crusher. The lowest figure secured was \$1505.

HALFMOON BAY BOOZE SELLER GETS HEAVY JAIL SENTENCE

Five months in the county jail and a fine of \$250 was the penalty imposed upon Harry Summers, proprietor of the Halfmoon Bay Hotel, by Federal Judge Jeremiah Neterer this week, when the hotel man appeared to receive sentence after having been found guilty of violating the prohibition law by a jury.

Mamie Cowley, a partner to Manuel Bernardo in the Hotel Granada at El Granada, was fined \$300 by the same court.

FRATERNAL BROTHERHOOD HONORS HIGH OFFICIAL

South San Francisco lodge of the Fraternal Brotherhood held a program and banquet Friday night in honor of Supreme Past President Emma Neidig of Los Angeles. After a short program and a number of addresses, including one by Mrs. Neidig and several by visiting members from Victory lodge of San Francisco, adjournment was taken to the banquet room, where a spread was enjoyed.

MISS DOROTHY TRUAX HAS PARTY ON HER BIRTHDAY

A number of the members of the Junior Epworth League of the local Methodist church gathered at the home of Mrs. Thomas Shamp Tuesday afternoon for a party in honor of the birthday of Miss Dorothy Truax, daughter of Mr. and Mrs. B. H. Truax. There were sixteen of Miss Dorothy's little friends present and a happy afternoon was spent in playing games.

C. OF C. PLANS FOR BIG RASTALL MEETING

Delegations Expected From Many
Parts of County to Hear Address
of Eminent Engineer.

At the meeting of the South San Francisco Chamber of Commerce held at the city hall Tuesday night, plans were formulated for the big meeting to be held in the council chamber of the city hall next Tuesday evening. This meeting will be addressed by Dr. B. M. Rastall of New York City, one of the country's leading city planning engineers. Dr. Rastall is in charge of the great "booster" campaign planned for all Northern California, and which will be launched in San Francisco within a few days. He is one of the leading authorities in his line of work in the country and it is expected that there will be a large gathering to hear him. Invitations have been extended to Chambers of Commerce and civic organizations all over San Mateo county, and many from different towns will be in attendance. During Monday night's meeting a letter from D. C. Imboden, secretary of the newly organized Three Cities Chamber of Commerce, stated that a delegation from this organization would be here to take part in Tuesday night's meeting. A reception committee to meet Dr. Rastall was appointed, with the following members: G. W. Holston, F. A. Cunningham, W. J. Martin, W. H. Dinning, Dr. J. C. McGovern, and Robert Speed. Early in the evening the distinguished visitor will be given a dinner and reception at the Industrial Club, which will be attended by Chamber of Commerce members.

A communication was received from Reese Lloyd, advertising manager of the Iris, the annual publication of the South San Francisco High School. Lloyd asked whether the Chamber would take advertising space in the book this year as usual, and the secretary was instructed to take a page.

P. Mairiana brought up the matter of persons from outside towns being given work at the local factories while many of the residents of this city are out of employment. Secretary Smith was instructed to communicate with the factory heads and ask that preference be given to local residents when work is available.

Judge E. E. Cunningham brought up the matter of the drive to furnish funds for the Salvation Army, and E. C. Peck, J. W. Coleberd, and L. G. Hardy volunteered as a committee to assist in the canvas of the town.

BUSINESS QUIET IN COURT OF JUDGE W. J. SMITH

Business has been quiet of late in Judge Smith's court. Saturday W. W. Brawn was given judgment in the sum of \$64.59 with court costs against Henry J. Davis, the suit arising from repairs made by Brawn to Davis' auto.

Peter Lind was given judgment against Manuel Bernardo in the sum of \$17.41 and costs against Chas. Pera for \$55.89 and costs. Both suits were over meat purchased at Lind's Market by the defendants.

Antonio Veroni and Mary Lombardi, a neighbor, were in court Thursday. Veroni applied for a warrant for the arrest of the Lombardi woman and her two brothers, Arresto Blandini and Furio Blandini, charging that they had beaten him. The trouble arose over the possession of a chicken. Seeing that it was but a neighbors' row, the judge called all parties into court and warned them to keep the peace.

YEOMEN TO HOLD CARD PARTY.

The local lodge, Brotherhood of American Yeomen, is planning a whist party at Fraternal Hall next Wednesday evening. A number of valuable and useful articles will be offered as prizes.

VIRIDEN TRUCK CATCHES FIRE.

For the second time within a month a certain truck belonging to the Viriden Packing Company caught fire while loading with gasoline at the South City Garage Tuesday. The construction of the truck is blamed for its catching fire, as the exhaust passes close to the tank and when hot causes gas dropped on it to ignite. Prompt action by the fire department saved the truck from serious damage.

HEAD OFFICES OF WESTERN MEAT CO. TO BE LOCATED AT PLANT IN SO. S. F.

An announcement of great interest and importance to South San Francisco was that made this week by the Western Meat Company that its head offices were to be moved from San Francisco to the plant in this city. This confirms a report current here for many months that the big meat packing company was about to make this move. Officials of the company, while not denying the report, have, up to this week, refused to give it confirmation. Louis F. Swift of Chicago, head of the great Swift packing interests, was in town early this week, and during his visit here final steps were taken preliminary to the contemplated move. The office will be installed here, it is stated, within sixty days.

It is announced at the plant that the

big office force necessary to the transaction of the firm's business will be housed in the building at present used as a club house for the Welfare Club, which is composed of plant employees. This building is to be remodeled and enlarged to accommodate both the club and the offices.

The moving of the big packing company's head offices to this city will bring about 100 new people into town, this being the approximate number employed at present in the city office. Many of these will move their residences to this city, and their advent will be a welcome addition to the town's population. It will also result in a great increase of business at both the local postoffice and telegraph office as well as, incidentally, at all the stores.

NEW BALL PARK TO BE OPENED WITH PARADE AND HOT GAME NEXT SUNDAY

Oakland Post No. 5 will tangle with Bernard McCaffery Post here Sunday at the opening of the new baseball park. Oakland has had an almost uninterrupted string of victories and will no doubt give Ryan's local aggregation a hard struggle. However, with the generous support of local fans, the McCaffery players confidently promise to stop the Oaklanders, and thereby put South San Francisco on the athletic map.

Mayor Holston has agreed to pitch the first ball, and says he has high hopes of putting over a strike that will burn the hand of Chief of Police Conrad behind home plate.

The lineup is as follows: Flor, shortstop; Howe, third base; Four-

cans, right field; Alvarado, left field; Morris, second base; Schmidt, center field; Hyland, first base; Hudson, catcher; Rawlings, pitcher; Bissett, Belloni, Spellman, Howard, Vinegar.

Before the game an auto parade will form on Miller avenue, between Linden and Cypress avenues, at 1:15 p. m. It will proceed down Miller avenue to San Bruno road, along San Bruno road to Grand avenue, up the main street to Spruce avenue, and thence to the high school. The one attraction lacking is the horseman who advertises the game through a megaphone. Many applicants might offer their services for the position were it not for the fact that the accepted applicant must furnish his own horse.

SPEED COURSE MEANS MUCH TO THIS REGION

Auto Racing Track at Tanforan to Be
Constructed in Near Future.

The announcement last Friday of the construction at the old Tanforan racetrack of one of the country's finest auto speedways caused a considerable flurry throughout San Mateo county. It is considered that the new institution in this region will have a far-reaching effect in bringing racing men and followers of the auto racing game to this part of the state from all over the country. In the palmy days of horse racing the Tanforan track was known from one end of the United States to the other. According to the announcement made in San Francisco it will soon resume its old prestige, with racing cars instead of horses.

The present plans of the San Francisco Speedway Association, which will build the new track, call for an expenditure of \$500,000. The grandstand will have a seating capacity of 20,000, while the bleachers will seat 50,000 more. Many new and strictly modern ideas will be worked out in the construction of the speedway, these including features making for the comfort and safety of the spectators as well as the highest possible speed of the racers. Some of the leading engineers of the country were consulted in planning the course.

It was announced that work on the ground would start this week and that the track would be open by Admission Day.

AVALON CLUB PLANS DANCE.

The Avalon Club of this city is planning a dance at Fraternal Hall Saturday night. The young men who compose the club membership have made arrangements to receive a large gathering and to give all a good time.

BAKERY TO BE INSPECTED IS ON SAN BRUNO ROAD

The report of the city council meeting last week stated that the attention of the health officer was called to the sanitary conditions of a Greek bakery on Grand avenue between Cypress and San Bruno road. This was somewhat misleading, the location of the bakery being on San Bruno road between Juniper and Armour avenues.

SAN BRUNO MAN DIES IN CRASH ON HIGHWAY

Elmer Mahin Killed and Three Others
Injured When Motorcycle Drives
Head-On Into Automobile.

Elmer G. Mahin of San Bruno is dead and Robert Skellinger, same address, is reported to be dying, due to a terrible collision on the state highway at 7:30 Wednesday morning. The motorcycle on which Mahin and Skellinger were riding to their work in San Francisco crashed head-on into a Ford automobile one mile south of Holy Cross Cemetery when, according to witnesses, the men cut corners at a sharp curve. The dead man and his injured companion were picked up by August Roth and William Nelson and taken at breakneck speed to the Mission Emergency Hospital in San Francisco. Mahin was killed almost instantly, having had his throat severed by glass and his skull crushed. Skellinger is said to be unconscious and in a very critical condition. E. Gibson of 2590 Post street and G. B. Smith of 1333 Lyon street, both of San Francisco, who were riding in the auto, were taken to the South San Francisco Hospital, where Gibson, owner and driver of the car, was found to have his wrist fractured, while Smith had his left thumb broken and many lacerations.

Constable S. A. Landini of Daly City, who arrived at the scene of the accident shortly after the crash, stated that in all probability speed and recklessness cost Mahin his life. The officer claims the two men were in the habit of going at a rapid clip every morning, and that it was only due to luck that something of like nature had not happened before.

Mahin leaves a widow and little child. No arrest was made, as the driver of the Ford was held blameless for the accident.

COLORADO MAN CONVICTED OF BURGLARY GOES TO PRISON

Irwin Weeks (colored), convicted by a jury in the superior court last Friday of burglary in the first degree, was sentenced by Judge George H. Buck Monday to an indeterminate term in San Quentin. Weeks will probably be transferred to Folsom after his arrival at San Quentin, this being his second prison term.

C. OF C. MEMBERS GO ON BOOSTING PARTY FOR MEETING

A party of members of the South San Francisco Chamber of Commerce took an auto trip down the peninsula Thursday morning to boost for the big Rastall meeting next Tuesday evening. The trip was taken in W. J. Martin's big car, a huge banner on the machine announcing the meeting. It was the intention to stop at all towns along the way to Redwood City, tell the residents of the meeting and invite them all to be present.

SO. S. F. WOMAN ASKS DIVORCE ON GROUNDS OF CRUELTY

Mary Sciaccia of South San Francisco has filed suit for divorce from Edward Sciaccia, to whom she was married in San Francisco on January 15, 1916. The plaintiff alleges that Sciaccia has been cruel and inhuman in his treatment of her and has called her vile names, striking her and causing her great physical pain and mental anguish. The couple have two minor children, and the plaintiff asks their custody and care and a reasonable sum for their support, counsel fees and costs of suit. She is represented by Attorney L. H. Honey of San Francisco.

BOY SCOUTS HAVE LARGE ATTENDANCE AT MEETING

There was a good attendance of Boy Scouts at Tuesday evening's meeting, practically every member being present. A short business meeting was held to discuss troop matters, especially outdoor work and camping. It is planned to have a prominent scoutmaster from San Francisco at the meeting next Tuesday, and Scoutmaster E. H. Molony is urging every member to be present. He states that with a little more esprit de corps Troop 79 should take a place in the very front rank of troops.

THOS. E. HICKEY IS LAID TO REST

IMPRESSIVE CEREMONIES AND
MAGNIFICENT CORTEGE MARK
LAST SAD RITES FOR POPULAR
YOUNG MAN.

Amid great banks of flowers Thomas E. Hickey, son of Mr. and Mrs. Thomas L. Hickey, was laid to rest in the mausoleum at Holy Cross Cemetery Tuesday. All that was mortal of the young man was followed to its resting place by over one hundred automobiles filled with sorrowing relatives and friends. From all over San Mateo county they came, from Palo Alto, from San Jose, and from points far distant. Everywhere the young man was known he was popular, and the host of people that assembled at his funeral bore testimony to the high esteem in which he had been held. The mass celebrated at All Souls' Church was attended by a throng that taxed the great building. When the casket, banked in pink and white flowers and magnificent orchids, was borne slowly up the aisle by boyhood friends and college classmates of the young man about to be laid to rest, there were few dry eyes in the auditorium. The solemn ceremony was in charge of the fathers who had known and loved him during his college course at Santa Clara College.

Seldom has a death announcement caused such a shock in San Mateo county as that of Thomas Hickey last Saturday. The first brief announcement was received almost with incredulity, but later reports confirmed what his hosts of friends stoutly strove to believe a mistake. The young man was demonstrating a gravel-loading machine at Biggs, Butte county, Calif., at the time of his death. The boom of the machine came in contact with a power wire about twelve feet from the ground. It had rained the night before and Hickey was standing at the side of the machine at the time, with his hand on the lever. A heavy voltage was short-circuited through his body. Though death was not instantaneous, it came within a few minutes.

Thomas Edward Hickey was born in South San Francisco twenty-seven years ago. He attended public school and grew to manhood here. From boyhood he took much interest in athletics, and on his entrance at Santa Clara College quickly became one of the stars of the baseball and football fields. At college, as elsewhere, he won a host of friends by his sunny, genial temperament.

July 14th of last year Hickey took as his bride Miss Clotilde Mayhew of San Jose, and since that time has made his home at San Jose. He was a member of the San Mateo lodge of Elks.

VAN VALIN TRIO PLAYS AT CHURCH SERVICE SUNDAY

The congregation at Sunday night's service at St. Paul's Methodist Church were given a musical treat by the appearance of the Van Valin trio of San Mateo. Those who played were Mrs. Anna Van Valin, piano; Miss Gladys Morrison, violin, and Miss Rose Van Valin, bass viol. The trio played at both the Epworth League and church services.

GETS 30 DAYS FOR VAGRANCY.

Antonio Maldonado, a Porto Rican, was up before Judge E. E. Cunningham Saturday morning on a charge of vagrancy. He was given thirty days in jail and instructed not to return to this city when released. The man was suspected of several jobs of petty pilfering around town, but there was not sufficient evidence to convict him on a larceny charge.

COOKING CLASS VISITS MARKET.

Last Monday the cooking class of the high school, under the supervision of Miss Pettit, the domestic science teacher, visited Lind's market. They were shown the different cuts of meat by Mr. Lind, who kindly cut up a whole beef for the benefit of the class, making the diagrams in the text-book much clearer. Later the class was taken to the basement, where methods of pickling meats, making sausage, the refrigerating system, etc., were demonstrated. Mr. Lind courteously took the time to explain all these processes in detail, and the cooking class was more than pleased by the kindness shown to it.

FRESHIE-SOPH OLD CLOTHES DAY

A notice was posted on the bulletin board ordering all the boys to wear old clothes and the girls to wear aprons Thursday, under the penalty of paying a 10-cent fine. The juniors and seniors failed to obey the command, as there was no signature on the notice. Because Elmer Vaccari obeyed the order most implicitly, he was falsely accused of posting the notice. Sylvia Haubrich finally proclaimed herself to be the guilty person.

STUDENT BODY HEARS TALK ON NEAR EAST RELIEF FUND

Miss Farrington spoke to the student body Tuesday, May 10th, in the auditorium. The subject of her speech was the suffering of the Armenian children. Miss Farrington has spent nineteen months in Armenia as a member of the Near East Relief Committee. The funds which they brought with them were sufficient to supply but about one-half of the suffering people.

Five dollars a month will feed one child, ten dollars will feed and clothe a child, and fifteen dollars will feed, clothe and educate a child.

On May 25th each person in South San Francisco will receive a yellow card. This card asks you to bundle up all your old clothes and give them either to the fire department or to your laundry. They will see that these clothes will be handed over to the Near East Relief Committee to be sent to Armenia to the people there who are sadly in need of any help which can be given.

Reese has found some juice that gives you a good kick. (He is talking of electricity.)

ANOTHER DISASTER.

For a second time within a month a student has suffered burns while trying to make matches in the laboratory. This time the victim is Miss Sarah May Doak. Recently Haydn McMills was burned in the same manner, and it is believed Miss Doak subjected herself to the injury because she believed it would not do for only one in the class to be burned.

PRACTICAL RECIPES

EAT PLENTY OF SPINACH AND KEEP WELL AND HEALTHY

One of the first vegetables in the garden or on the market in the early spring is that reliable standby—spinach. The shoots should be cut regularly; if not, the old shoots become tough and rank flavored.

Spinach furnishes little body energy, but it is exceptionally rich in iron and in one of the important vitamins, and so is a valuable food. It contains little starch and only a suggestion of sugar, and is therefore one of the vegetables that physicians include in the bill of fare of many invalids who require a diet without these carbohydrates.

Cheap in First Cost

Like most other vegetables, it is rarely cooked to perfection, yet it is not difficult to prepare. Except for special reasons, the simplest methods are the best for this vegetable. No matter how cheap the raw spinach may be, it is always expensive in one thing—labor. It takes a good deal of time, water, and patience to wash it clean.

To clean the spinach, cut off the roots, break the leaves apart and drop them into a large pan of water, rinse them well, and lift them into a second pan of water. Do not pour the water off over the spinach or the grit that has been washed off will get back on the leaves. Continue washing in clean waters until there is not a trace of sand on the bottom of the pan. If the spinach is at all wilted, let it stand in cold water until it becomes fresh and crisp. Drain from this water and blanch as follows:

For half a peck of spinach put in a large saucepan three quarts of boiling water and one tablespoon of salt. Put the drained spinach in the boiling water and let it boil ten minutes, counting from the time it begins to boil. When it begins to boil, draw the cover of the saucepan a little to one side to allow the steam to escape. At the end of ten minutes pour the spinach into a colander, and when the hot water has passed off pour cold water over it. Let it drain well and mince coarse or fine, as is suitable for the manner in which it is to be served.

One peck of spinach will make about 1½ pints when blanched and minced.

Spinach With Cream

½ peck spinach.
2 tablespoons butter or other fat.
1 tablespoon flour.
1 teaspoon salt.
½ teaspoon pepper.
½ pint cream or milk.

Blanch and mince the spinach. Put the butter or other fat in a saucepan and on the fire. When hot add the flour and stir until smooth and frothy, then add the minced spinach and the salt and pepper. Cook for five minutes, then add the milk or cream, hot, and cook three minutes longer. Serve.

Spinach With Egg

½ peck spinach.
3 tablespoons butter or other fat.
½ teaspoon pepper.
2 eggs.
3 teaspoons salt.

Wash and blanch the spinach, using two teaspoons of the salt in the water in which the vegetable is boiled. Drain the blanched spinach and chop rather fine, return it to the saucepan, and add the salt, pepper, and butter or other fat. Place on the fire and cook ten minutes. Heap in a mound on a hot dish and garnish with the hard-boiled eggs, cut in slices.

Spinach Cooked Without Water

Fresh spinach when washed holds enough water for cooking. Put the spinach into a covered saucepan and cook for ten minutes. Press down and turn the spinach over several times during the cooking. At the end of ten minutes turn the spinach into a chopping bowl, and mince rather fine. Return to the saucepan and add the seasonings, allowing for half a peck of spinach two generous tablespoons of butter or other fat and a teaspoon of salt. Simmer for ten minutes; or, if very tender, five minutes will be sufficient.

Spinach cooked in this manner will retain all its salts and the flavor will be stronger than when blanched (boiled in water). In young, tender spinach this is not objectionable, but when the overgrown vegetable is cooked in its own moisture the flavor is strong and somewhat acrid.

MRS. HEALY GETS DECISION IN SUIT FOR EVICTION

Judge George H. Buck of the superior court gave judgment Monday to the plaintiff as asked for in the suit of Annie Healy, as executrix of the last will and testament of Michael F. Healy, vs. Jane Doe Sullivan, for the recovery of possession of property at 912 Linden avenue, South San Francisco, leased by Healy prior to his death to the defendant. James T. O'Keefe of Redwood City was attorney for the executrix.

COATS THAT DEFY COLD

Those handsome plush fabrics which have established a reputation for durability and warmth, as well as rich appearance, have been introduced this fall in many attractive coats. Besides those that imitate certain furs so closely that they deceive the eyes, there are others that make no attempt to imitate anything, but stand on their own merits as materials of great beauty, especially adapted to coats for the coldest weather.

In the picture a handsome and practical coat is shown made of dark brown plush with a high turn-over collar of fur. Skunk, marten, fox and other pelts provide collars for these coats as for coats of short-haired fur, and the balls that finish the ends of the long girdle are of fur. Three handsome buttons secure the closing of the coat and are placed to the left of the front.

THOMAS EDWARD HICKEY

"He cometh forth like a flower and is cut down." Seldom in the history of San Mateo county have these words had the depth of significance they bore in the case of Thomas Edward Hickey, who was killed Saturday at Biggs, Butte county, Calif. "Young Tom Hickey," as he was familiarly and affectionately known throughout San Mateo county to distinguish him from his father, Supervisor Thomas L. Hickey, was literally cut down in the flower of his youth. His passing has cast a shadow over the community where he was born and raised and all over the county as well, for here was one who grew up among us and who has been called away in the very flush of vigor, at the very threshold of usefulness.

The news of Tom's death fell like a thunderbolt last Saturday. Never was it better exemplified that "No man knoweth what a day may bring forth." It seemed impossible that one so endowed with health, strength and virility should have been snatched away so suddenly. It was incredible that one for whom life bloomed so sweetly, for whom it held so much of promise, should have been taken without a word of warning. When, later, confirmation of the first meager report arrived, moist eyes and averted faces upon the street bore mute testimony to the high esteem in which the young man was held.

We who knew Tom Hickey will ever remember with tenderness the clear-eyed, stalwart young man, the firmness of his hand-clasp, the whole-souled heartiness of his greeting. Physically and mentally he was cast in the mold of which leaders of men are made. The brightness of the promise life held for him is only equalled by the tenderness in which his memory shall be held.

To the grief-stricken widow and parents the deepest of sympathy is extended. Words can do little to assuage their sorrow, but at least they may know that an entire community grieves with them.

PUNISHMENT TO FIT

Some people advocate jail sentences for those who conspire against the government. But it is doubtful if that is the best policy, or even one that will produce satisfactory results.

Drastic action is necessary in such cases, but it should be action that will relieve us of the presence of the plotter instead of merely depriving him temporarily of his liberty.

In nearly every case these plotters come to us uninvited from some foreign shore. Since they do not approve of the manner in which we manage our own affairs, the logical course would be to send them back to the countries from whence they came. They may find conditions more to their liking in the hotbeds from whence they fled.

Foreigners who are willing to become productive assets in this country are welcome.

Foreign liabilities are not wanted.

Eighty-seven per cent of the land in this country is not in use. It is yet to be placed under cultivation. The millions of foreigners seeking admission to this country are headed for the cities, where they are not wanted. They do not care to settle upon this untitled land, where they are needed. They need us, but do we need them?

An exchange says that nine people are killed every hour in American accidents. Boiled down to fractions, that means that every five minutes some poor hick is three-fourths dead.

A spirit of fairness in commercial life would do much toward restoring the country to normal conditions. But that is too much to expect in these days of scramble and grab.

And still, we can hardly expect all of Europe to come to this country. Government officials do not willingly quit as long as there's a payroll in sight.

Beware how you engage in an argument with your wife. You can't convince her and it's undignified for the head of the house to acknowledge defeat.

The Greeks kicked their king off the throne and then kicked him back on again. But possibly he was willing to accept a voluntary reduction in pay.

RESOLUTION OF INTENTION NO. 40.

A Resolution of the Board of Trustees of the City of South San Francisco Declaring Its Intention to Improve Industrial Way from the Northerly Line of Swift Avenue to the Southerly Line of Butler Road.

Whereas public interest and convenience require that the work and improvement hereinafter described should be done; and

Whereas in the opinion of the Board of Trustees of the City of South San Francisco that it is the intention of said Board to order the following work and improvement to be done in said City, to-wit:

That Industrial Way be graded to official line and grade from the northerly line of Swift Avenue to the southerly line of Butler Road, and for the width particularly shown on and referred to hereinafter mentioned and referred to, but excepting such portions of said Industrial Way as are required by law to be kept in repair by any person or company having railroad tracks thereon.

That a Thirty-six (36) inch corrugated, galvanized iron culvert be constructed across Industrial Way at a point 175 feet southwesterly from the intersection of the center line of Industrial Way with the center line of Cedar Avenue, at the particular location shown upon the plans hereinafter mentioned and referred to; that a Thirty-six (36) inch corrugated, galvanized iron culvert be constructed across Industrial Way at a point 400 feet northeasterly from the intersection of the center line of Industrial Way with the center line of Cedar Avenue, at the particular location shown upon the plans hereinafter mentioned and referred to.

That the work herein provided for shall be done to official grade and in accordance with the special plans and specifications for said work, which plans and specifications are on file in the office of the City Clerk, and to which plans and specifications reference is hereby made for a further description of said work and for the location and extent of the work to be done hereunder and for a partial description of the boundaries of the district herein mentioned. All such work is to include any and all street intersections and street terminations, opposite terminations of in and to said street and those to the respective lines above mentioned, as is shown upon said plans. Any duplication in any of the work herebefore described shall be ignored. There is excepted, however, from the above mentioned work, and all such work as has been done to official grade.

And said Board of Trustees does hereby determine and declare that said proposed work and improvement is of more than local or ordinary public benefit and will affect and benefit the lands and district hereinafter described to be the district benefited by said work and improvement and that therefore the entire costs and expenses of said work and improvement shall be and is hereby made chargeable against and shall be assessed upon said lands and district, except as hereinafter expressly provided, which district is within said City of South San Francisco, County of San Mateo, State of California, and particularly described as follows: to-wit:

Beginning on the northerly line of Swift Avenue at a point where said line is intersected by a line which is parallel with and distant southwesterly 144.8 feet at right angles from the center line of the Southern Pacific Railroad Company's Bay Shore Branch; running thence northeasterly, parallel with and keeping a distance of 50 feet westerly at right angles from the said center line to the northerly line of Cedar Avenue; thence westerly along the said northerly line of Cedar Avenue 25.92 feet to the westerly line of the Southern Pacific Railroad Company's Bay Shore Branch; thence northeasterly following along the courses of the said westerly line of the Southern Pacific Railroad Company's Bay Shore Branch to a point where said line intersects the southerly line of the Schaw-Batcher Company's 4.652 Acre Tract; if extended northwesterly, would intersect said westerly right of way line; thence southeasterly along the said northwesterly prolongation and continuing along the northeasterly line of said Schaw-Batcher Tract to the most easterly corner thereof; thence North 58 degrees 52 minutes 26 seconds East 1627.19 feet; thence South 6 degrees 02 minutes 10 seconds East 144.8 feet; thence South 13 degrees 19 minutes 40 seconds East 160.1 feet; thence South 53 degrees 01 minute 20 seconds West 110.30 feet; thence North 3 degrees 48 minutes 20 seconds West 156.0 feet; thence South 15 degrees 23 minutes 40 seconds East 179.6 feet; thence South 51 degrees 49 minutes 20 seconds West 43.9 feet; thence South 35 degrees 47 minutes 40 seconds East 553.95 feet; thence West 191.47 feet; thence South 14 degrees 44 minutes 30 seconds West 65.0 feet; thence South 00 degrees 14 minutes 20 seconds East 1038.11 feet to the northerly line of Swift Avenue; thence westerly along the said northerly line of Swift Avenue to the point of beginning.

Saving, excepting and excluding from said district all public streets, avenues, alleys, lanes, courts and places included and contained.

"The Enterprise," a weekly newspaper printed and circulated in the City of South San Francisco, is hereby designated as the newspaper in which this resolution of intention shall be published, and the City Clerk is hereby directed to cause this resolution of intention to be published by two (2) insertions in the manner and form required by law.

The Superintendent of Streets shall cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred (300) feet in distance apart, and along all the open streets within said district and in front of all the property line to be assessed, not more than three hundred (300) feet in distance apart, but not less than three (3) in all in each street in said district, notices of the passage of this resolution of intention, in the manner and form required by the "Improvement Act of 1911."

Notice is hereby given that on Monday, the 23rd day of May, 1921, at the hour of 8 o'clock p. m., in the chamber of said Board of Trustees of the City of South San Francisco, any and all persons having any objections to the proposed work and improvement may appear before said Board of Trustees and show cause why said proposed improvement should not be carried out in accordance with this resolution.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

I hereby certify that the foregoing resolution was regularly introduced and adopted by the Board of Trustees of the City of South San Francisco this 2nd day of May, 1921, by the following vote:

Ayes, Trustees F. A. Cunningham, A. J. Eschbach, L. G. Hardy Jr., H. Scampini, G. W. Holston.

Noes, Trustees none.
Absent, Trustees none.

SAN BRUNO LOCALS

Lee Edwards won the Quick Lite lamp, which was donated by George Hughes for the McDonald benefit last Saturday.

Several new buildings are now in course of erection in San Bruno, with several more to be constructed in the near future.

Considerable building activity is noticeable in this city at present, with several new residences to be commenced in the near future.

The Herald this week commenced the building of an addition to its block, consisting of a large room in the rear, 14 by 25 feet in dimensions.

Ticket No. 227, held by Mrs. G. Holm, was the winner of the beautiful sofa pillow offered by Mrs. Paul Schmidt at the McDonald benefit Saturday night.

Barney Ward is shortly to re-enter a San Francisco hospital, where he will again undergo an operation for a serious complaint from which he has been a sufferer for some time past.

The commencement exercises of the Edgemont school are scheduled for the 15th of June, and promise to be an event of unusual enjoyment and interest to parents, teachers, and scholars.

Dr. F. Holmes Smith attended, among others of San Bruno's citizens, the obsequies of the late Thomas E. Hickey, son of Supervisor Hickey, at Holy Cross Cemetery last Tuesday morning.

The benefit held at California Hall last Saturday evening for the purpose of building a home for the widow and children of the late Frank McDonald netted an amount approaching some \$150. The success of this affair is now assured.

Harry B. Smith, sporting editor of the Chronicle and a brother of Trustee Dr. F. Holmes Smith, will go East shortly to report the Dempsey-Carpentier prize fight to be pulled off at Jersey City on July 2d. All of San Bruno's sport fans will look forward to his return to get a first-hand report of the big event.

Sunday's coursing proved a great success, a large crowd being in attendance. The principal attraction was the championship stake, which was won by Badly Blended, an imported grayhound owned by Paul Van-nuchi, from Daddy Longlegs. It was one of the most exciting races ever pulled off at the coursing grounds.

GREAT SPEEDWAY PROMISES BIG THINGS FOR DISTRICT

The opening of the Tanforan track as a motor speedway will come as a great boon to San Bruno and to South City as well, and it is confidently expected that with this an accomplished fact that a brighter future for this city will have dawned. It should put a great number of the unemployed of both cities to work at remunerative employment.

TRUSTEES MEET IN REGULAR SESSION

Railroad Commission Refuses to Reduce Rates of Stage Co.; Resolution for Macadam Paving Road.

The city trustees met at the city hall Wednesday night, a full board being present.

No reports were forthcoming from either the city clerk or water board, owing to the fact that the auditors had not completed the audit.

A communication was read from the Railroad Commissioners by City Attorney Davis in reply to the board's request for a reconsideration of the raise in rates between San Francisco and San Bruno on the Peninsula Rapid Transit Company, in which the board stated it could not see its way clear to altering its decision, as all parties had been duly notified that a hearing would be held and no one appeared in opposition to the rate set being adopted, and that the Rapid Transit Company had made a showing that justified the increase awarded. The board decided nothing further would be gained by an appeal to the Railroad Commission, but on motion of Trustee Kane it was decided that the city attorney should look into the powers of the board and see whether it was not within its power to place an additional tax upon the stages of the Rapid Transit Company operating through this city. If so, the company will be advised that in the event of its not withdrawing the discriminatory tariff now prevailing, an increased tax would be placed upon its stages plying through San Bruno.

The board decided, on the request of City Marshal Gaudette, that his office should be furnished with a copy of the penal code.

The city recorder reported that fines to the amount of \$35 had been imposed and collected in his court during the month of April.

The following permits were granted: H. P. Sampson, to build a garage on lots 38 and 39, block E, First addition; G. A. Helmore, to build an addition to his premises on San Mateo avenue of a room 14x25 feet; F. Grisez, for the erection of a five-room bungalow on lots 25 and 26, block 23, Third addition.

The Southern Pacific Railway Company notified the board of its intention to put in the latest standard crossing on San Mateo avenue. Twelve of these are now being put in at various points in the county. These do not include this crossing, but the company stated this will be included in its second list, to be commenced as soon as the first list had been completed.

The League of California Municipalities sent in a letter notifying the board of a meeting at Sacramento, May 20th, to consider what steps should be taken to conserve the water resources of the state, and requesting that the board be represented on that occasion. The communication was ordered accepted and filed.

On motion of Trustee Smith, seconded by Trustee Kane, the board endorsed the idea that the initiative be placed upon the ballot at the next general state election that would bring before the people the enactment of a law embodying the principles outlined in and having the effect of senate bill No. 397, which was defeated by the legislature a few days ago. This bill had reference to the right of the state to acquire and develop the power resources and to safeguard the people's interests against the private utilities corporations.

The following resolution was passed by the unanimous vote of the board:

"Resolved, By the board of trustees of the city of San Bruno, that all proceedings under resolution of intention No. 250, pertaining to the improvement of San Bruno Park, First addition to San Bruno Park and Jenevein subdivision, be, and the same are hereby rescinded; and be it further

"Resolved, That the city engineer be directed to prepare plans and specifications for the improvement of said subdivision with oil macadam."

L. Benedetti is about again, after being confined to his home for the past three weeks with a paralytic stroke.

Leon and Rudolph Fellman left on the steamship Ventura last Tuesday on another trip to Honolulu and Sydney.

Antone Kosta, better known to all his friends as "Fat," returned with his wife from Italy last week, after visiting there for eight months or more.

Joe Bocci, who has been laid up for two months or more with a sore arm, is reported doing as nicely as can be expected, but is still under the doctor's care.

The children of the eighth grade in the Jefferson school are making extensive preparations for their graduation dance, which is to take place on Wednesday evening, May 27th, at the Daly City auditorium.

Aurelio Bertetta, eldest son of Mr. and Mrs. Antone Bertetta, graduated from a two years' course at Heald's Business College in San Francisco during the latter part of last week. Young Bertetta graduated with high honors with the 1919 class of the Jefferson school.

A most enjoyable Sunday was spent at Shellmound Park by several members from Cypress Circle, No. 14, U. A. O. D., and Cypress Circle, No. 16, U. A. O. D., who attended the annual reunion of the Ancient Order of Druids and the companion women's organization, the Order of Druidesses.

Miss Aline Collins, former teacher of the fourth grade in the Jefferson school, was united in marriage to Marcus Meherin of San Francisco on Monday, May 2d, at Redwood City. Mr. and Mrs. M. Meherin will tour Southern California before returning to Sausalito, where they have rented a cottage for the summer months.

ALL ENJOY SUPPER AT EAGLES' HALL

After its regular monthly meeting a supper was tendered all officers and members of El Carmelo Parlor, No. 181, Native Daughters of the Golden West, of Colma, Wednesday evening, May 4th, at Eagles' Hall, Daly City. The evening was pleasantly spent with music and speech-making by the members. The decorations were the colors of the order, red, yellow, and white.

OWLS' PICNIC DRAWS LARGE CROWD SUNDAY

The Owls' picnic, which took place at Lovchen Gardens Sunday, proved to be a social and financial affair. The large crowd, mostly local folks, enjoyed the annual reunion and carried home some valuable prizes which were won from the attractions. Dell's orchestra furnished the music for dancing, which was the main pastime for the younger set.

WHIST PARTY WELL ATTENDED.

Another evening of pleasure and gaiety took place at the Henry Ward Brown Memorial building Saturday evening last, when the Ladies' Home Club entertained at its monthly whist, which was largely attended by many San Francisco and neighboring citizens. The evening passed too soon for all, and the prize winners were: Mrs. Van Reenen, first; Mrs. Thomas Harrison, second; G. A. Sausou, third; Mrs. Charles Loughlin, fourth; Emily Oyhanabal, fifth; Mrs. Silvio Landini, sixth; Harry S. Skirvin, seventh; Miss Mary Lee, eighth, and William J. Savage, ninth.

Which Paint Costs Less?

NOTE how the best paint spreads easier and covers more square yards than cheap paint does.

Figure in the extra gallons of cheap paint that you must buy and the extra cost of application.

It means that cheap paint costs just as much as good paint on the house.

The best paint then gives five or more years' protection to your property investment. Cheap paint on the average, starts cracking in twelve months. Which paint costs less?

72 Years' Experience

The house paints we specify for your home are the result of 72 years' experience in making paints and varnishes for every

purpose. Made to stand the peculiarities of western weather.

The best material—PIONEER WHITE LEAD, pure linseed oil, zinc and color—are combined with long-time skill, in scientifically exact proportions.

Our white lead base must pass through a silk screen with 40,000 meshes to the square inch. A patented purifier makes it "whiter," so Fuller paints are exceptionally clear-toned. The paint when finished and applied on the house is a beautiful, elastic, tough, protective coating.

Such paint costs but a trifle more to buy per gallon and is five to ten times more economical in service.

Don't allow surfaces to rot. It costs less to paint them.

BENEFIT FOR ST. BRUNO'S

John S. Bello will give his annual whist party at California Hall on Saturday evening, May 28th, at which

time forty prizes will be competed for, in addition to which there will be several valuable door prizes. All funds taken in will be handed over to Father Heverin for the benefit of St. Bruno's Church, and this object alone, apart from any other consideration, doubtless insures a complete success for the affair.

YEOMEN JAMBOREE PROMISES MANY ENJOYABLE FEATURES

The Yeomen Saturday will give their "jamboree" at California Hall, and this affair promises to be one of the outstanding successes of the season. The play to be presented will be replete with local interest, as it will be replete with "gags" and quips, in which the foibles and weaknesses of local residents will be exploited in a good-natured manner. After the program, the affair will close with a dance in the upper hall, for which purpose an excellent orchestra has been engaged.

MUSIC FOR ENTERTAINMENT TO BE GIVEN BY WIRELESS

San Bruno is shortly to have a unique and novel entertainment by the Pacific Radio Club, of which R. C. Monroe is president. It is to be a wireless concert, to be given June 15th. On this occasion, by means of wireless, music will be transmitted over an ordinary telephone transmitter using about twelve vacuum tubes with a voltage of 500. The music will be amplified so that all present will be able to distinctly hear the band playing at the Presidio, also the orchestra selections at several of San Francisco's leading theaters on that evening. After the concert a dance will be given, the music for which will also be received by wireless.

ENTERTAINMENT NETS GOOD SUM FOR McDONALD BENEFIT

The McDonald benefit, which took place at California Hall Saturday evening, proved not only a most enjoyable affair, but what was much better a great financial success. The program, which was a varied one, embracing as it did piano and violin solos, songs, dances, monologues, orchestra selections, and a troupe of colored jubilee singers, proved that San Bruno possesses considerable latent talent that it would be well worth while to cultivate. The dance after the program was largely attended, and was not the least enjoyable portion of the evening's entertainment. To George Hughes, who acted as stage manager for the occasion, is due considerable credit for the excellent manner in which the evening's program was carried out. Altogether, this affair added at least an additional \$150 to the funds which are to be utilized for the purpose of building a home for the bereaved family.

A. J. CADERO HAS MANDOLIN THAT WENT THROUGH WAR

A. J. Cadero, operator at the South San Francisco office of the Western Union Telegraph Company, has a mandolin that literally played an important part in the great war. The story of the instrument is told in the June 6, 1919, issue of the Watch on the Rhine, the paper published by the American soldiers in Germany. This story follows:

Starting from California on July 20, 1917, passing through Fort Leavenworth, where it attached itself to the Fifth Field Signal Battalion; going through the whole war and finally joining the Thirty-eighth Infantry band is but a small fraction of the career of the Gibson mandolin which Musician Albert J. Cadero, formerly of Company B, carries with him.

During the weary days at Brest, when mud and rain took the "pep" out of every one and caused a fellow to wonder why he joined the war or what had become of the liar who said France was sunny, Cadero and his mandolin brought cheer and a sparkle of sunshine to an otherwise dull existence.

It was no unusual sight to see him sitting on a dilapidated "corn willy" box with a bunch of Signal Corps boys draped around him in the approved street-ragtime dainties or, perhaps, a soulful ballad in close harmony, while some chap close by with a sensitive "musical ear" emitted unearthly howls in imitation of a dog in distress.

On the hike to Chateau-Villain and at the second battle of the Marne, whenever there was a lull in proceed-

ings, we were sure to hear the strum of a stringed instrument and knew that Albert was on the job.

The old Gibson has had its share of mud and water and has experienced the thrill—or whatever a mandolin does at such times—of having its strings broken by the concussion from enemy shells. Such accidents made little or no difference because Cadero, who is an ingenious sort of a chap, soon improvised suitable strings out of anything which happened to be handy and with pleasing results.

Many times Cadero was not able to take it with him when the company moved, but there were always plenty of volunteers to offer to carry it because of the prospect of having music at the end of the hike made the effort worth while.

The boys on the firing line in the Argonne weren't without its cheering tunes if "Jerry" wasn't too busy sending over a barrage or something or if

the telephone happened to be quiet. Keeping the line open by testing it with music may be new to many, yet it provided a good test and kept the "Heinies" wondering what was going on.

Since the armistice was signed, Cadero has been transferred to the "Rock of the Marne" band, and has organized a mandolin trio which delights the doughboys with its impromptu musicals. The colonel and his staff, too, enjoy the harmony for which the trio is becoming well known.

Cadéro is planning to take the instrument back with him to California as a souvenir and as a reminder of the trip through France and Germany.

The appropriation for the agricultural department has been cut over \$10,000,000 below last year. We must have a navy.—Farm, Stock and Home (Minneapolis).

Saturday—All-star cast, "Felix O'Day," "Ruth of the Rockies," No. 13, and Polard comedy.

O Liberty! Liberty! how many bonds have been issued in your name!—The Freeman (New York).

Mr. Ford doesn't approve of self-strutters, which is probably why he is so down on the Jews.—New York World.

LOCAL HAPPENINGS IN SOUTH SAN FRANCISCO

Mrs. C. W. King left Tuesday for a two weeks' vacation at Monte Rio.

Miss Mary Bentley of Richmond spent Friday night at the home of Mr. and Mrs. A. C. Hein.

Mr. and Mrs. E. J. Cole of Vallejo left Tuesday after a few days' visit at the home of Mrs. A. J. Nussel, mother of Mrs. Cole.

The Rev. and Mrs. E. H. Molony attended the convocation of the Episcopal Church, held at Menlo Park, Tuesday and Wednesday.

Mr. and Mrs. J. G. Walker, accompanied by Miss E. Nicholls and Mrs. Helen Standley and sons, Dean and Harris, motored to Los Gatos Sunday.

Mr. and Mrs. J. W. Holley and daughter, Bessie, returned Saturday from New York, where they have spent several weeks visiting with relatives.

D. HENDRICKS HAS HAND CRUSHED AT IRON YARDS

D. Hendricks of this city is in the South San Francisco Hospital with his left hand badly crushed. The injury was sustained by a heavy piece of iron flying from the shears striking the man's hand.

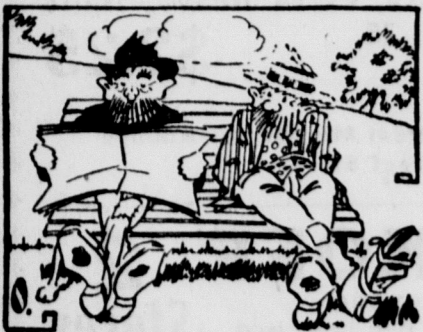

Opened His Mouth All Right. Patience—I suppose your old uncle from the country was so interested at the opera that he didn't open his mouth once? Patrice—Didn't open his mouth once! Why, say, he was yawning during the entire performance!

Cause for Wonder. "I wonder why the baby is dissatisfied with its milk and milk?" "I do, too. The food is palatable and the child is too young to have any pronounced theories about calories."

Forceful Debate. "That auctioneer seems to be very convincing in his appeals to his hearers." "No wonder; he uses such knock-down arguments."

The Popular Craze. "She was caught red-handed." "You don't mean it! What was she doing?" "Dyeing her hair."

Good Reason. "Don't you hate a man who trades on being a popular cutup?" "You've said it. I've just been reading my last surgical bill."

GETTING THE BLAME
Dusty Dick: I see Uncle Sam has been selling a good many ships here lately, Ralph.
Rusty Ralph: I reckon the 18th Amendment's responsible for that, ain't it? as how it done away with all the schooners.

What a Wonder Is.
He is a wonder.
People tell,
When given a task
He does it well.

The Real Word.
"Grabb's critics declare he is pigish in the way he tries to get every sort of profit for himself."
"In other words, they blame him for trying to hogment his income."

The Perils of Prosperity.
"I hear, old man, that you won \$50 on the election."
"Yes, but I have already loaned \$65 of it, so make your touch light."

Doing Him a Favor.
A man who had been running a dubious business failed, and at a meeting of his creditors all but one agreed to accept his four-months'

note for 10 cents on the dollar. The
debtor took this man aside and by
promising to make him a preferred
creditor he won him over.

When the others had departed the
man said, "Well, now, I should like
what's coming to me."

"Oh," replied the debtor, "you won't
get anything, any more than the
others."

"But I thought I was a preferred
creditor."

"So you are. These notes won't be
paid when they fall due, but it will

take the others four months to find it
out—you know it now, so you see
you are preferred."—Boston Trans-
